Aasish S F

👤 Profile

Hello, I'm Aasish S F, Motivated and enthusiastic high school graduate with a strong academic background. Possessing excellent communication skills, a proactive attitude, and a dedication to continuous learning and self-improvement. Eager to contribute to a dynamic team and embark on a rewarding career journey where I can utilize my skills and knowledge to achieve both personal and organizational goals.

🎓 Education

B.Tech in Computer Science Engineering, Ilahia College of Engineering and Technology, Muvattupuzha (Pursuing, Expected Graduation Date: [June, 2024])

Sree Narayana Gurukulam Higher Secondary School, Chempazhanthy, Thiruvananthapuram

June 2017 — March 2019

High School, Vimala English Vidyalaya Kalathara Thiruvananthapuram

June 2015 — April 2017

⚚ Activities

Internship on Keltron,Aroor

October 2023

Navak 2021,24 Hour Hackathon, Muvattupuzha

▥ Projects

Study on the effect of machining parameters on wire EDM of AAA 2219-T87

Utilized experimental methods to collect data and evaluate the performance of different parameter settings.Analyzed the results to identify optimal machining conditions for achieving desired surface finish, dimensional accuracy, and material removal rate.Presented findings through comprehensive reports and presentations, highlighting key insights and recommendations for optimizing the wire EDM process.
